**Slow Down Driving Policy Resolution – 2015/01**

Whereas, the safety of our community is of great interest to our association, and

Whereas, our residents enjoy walking, bicycle riding, and playing in their yards, and

Whereas, the safety and enjoyment of our community is diminished by drivers who speed through the neighborhood,  
and

Whereas, the Fairfax County Police inform us that the majority of speeding in a neighborhood is done by its own  
residents, and

Whereas, our Fairfax District Supervisor, Michael R. Frey, and the entire Board of Supervisors of Fairfax County, has  
made combating speeding a district and county priority, and

Whereas, our voluntary adherence to the speed limit and safe driving practices will provide an important means of  
addressing this issue,

Be it now resolved, that the members of the [community] home owners/civic association hereby declare Fair Woods  
HOA to be a **"Safe Driving Community"** in Fairfax County, and call on all members of our community to slow down,  
obey the speed limit, and employ safe driving practices for the safety and quite enjoyment of our residents.
