

# Snow

*Let it snow, let it snow,  
let it snow...*

*Please do NOT place any ice melt products on any new sidewalk sections. You may use sand only on the new sidewalk sections.*

*Ice melt products cause the sidewalks to deteriorate much faster, and necessitate expensive sidewalk replacement projects.*

*We would like to remind all homeowners to be careful*

*walking on the sidewalks in the snow and ice of winter. Blade Runners plows the parking lots to allow a drive lane, they do not plow parking spaces. The Association does NOT pay the additional high cost of having the common sidewalks shoveled. Residents are responsible for shoveling porches, walkways, and sidewalks. Please be considerate, and when shoveling your own walk take some extra time and shovel the sidewalk in front of your home. Be a good neighbor and help those that may have difficulty shoveling.*

*As always, remember residents MAY NOT shovel snow into open visitor spaces or the street under any circumstance as this can block the plows from being able to clear the roads.*

*We wish everyone a safe & happy winter.*
